

Website Overview

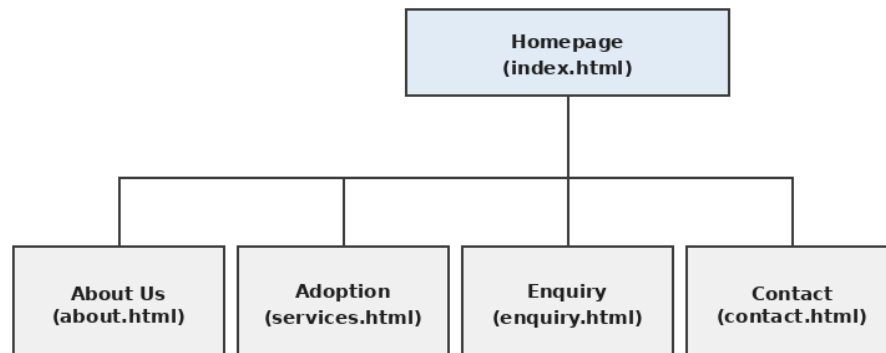

Student Name: Katleho Magano

Student Number: ST10488462

Institution: The Independent Institute of Education (The IIE)

1. Sitemap

The sitemap below shows the website's page structure. The Homepage sits at the top level, with four pages branching directly from it, reflecting a simple, flat navigation structure that keeps every page reachable within a single click from Home.

2. Page Hierarchy

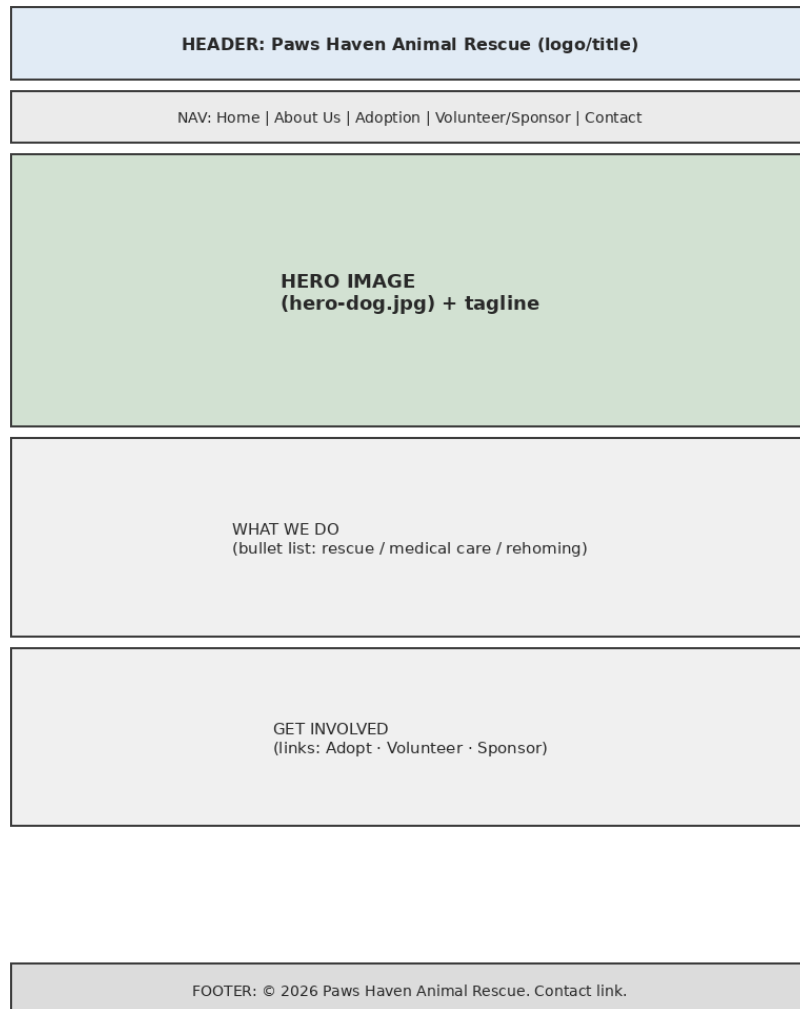

The page hierarchy describes the relationship and priority between pages:

- Level 1 (Top): Homepage (index.html) — entry point to the site.
- Level 2: About Us, Adoption, Enquiry, Contact — all sit directly under the Homepage and are equally accessible via the main navigation menu on every page.
- No page is nested at more than one level below the Homepage, keeping the site shallow and easy to navigate for first-time visitors.
- Every page shares the same header, navigation menu, and footer, so a visitor can move between any two pages directly without returning to the Homepage first.

3. Page Wireframes

The wireframes below show the basic structural layout planned for each page before development — the placement of the header, navigation, main content blocks, and footer — independent of final styling, which is addressed in Part 2 (CSS).

Homepage (index.html)

About Us (about.html)

HEADER: Paws Haven Animal Rescue (logo/title)

Website Page Overview (Live Screenshots)

This section provides a visual overview of all five pages currently built, demonstrating the site's actual structure, content, and navigation flow.

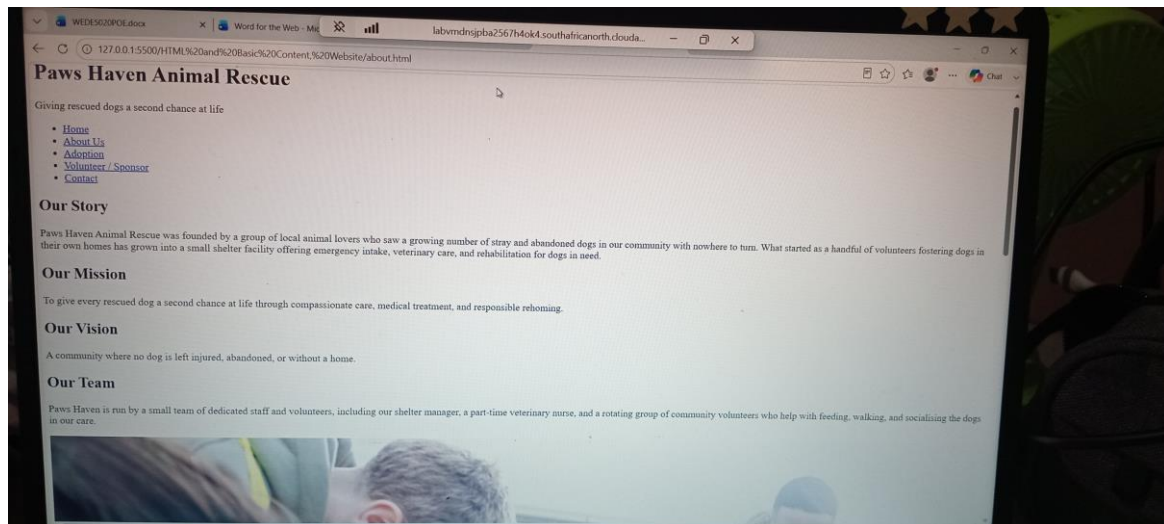

1. Homepage (index.html)

The homepage introduces Paws Haven Animal Rescue with the site's tagline, main navigation menu, and a hero image of a rescued dog to create an immediate emotional connection with visitors.

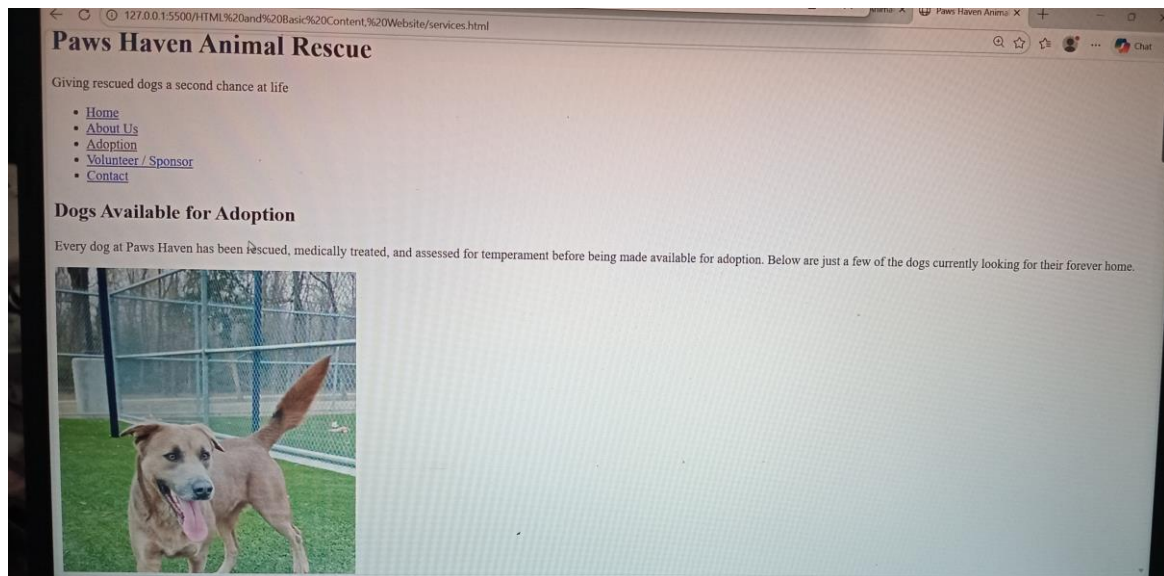

2. About Us (about.html)

The About Us page tells the organization's story and outlines its Mission, Vision, and Team, giving visitors insight into who runs Paws Haven and why it exists.

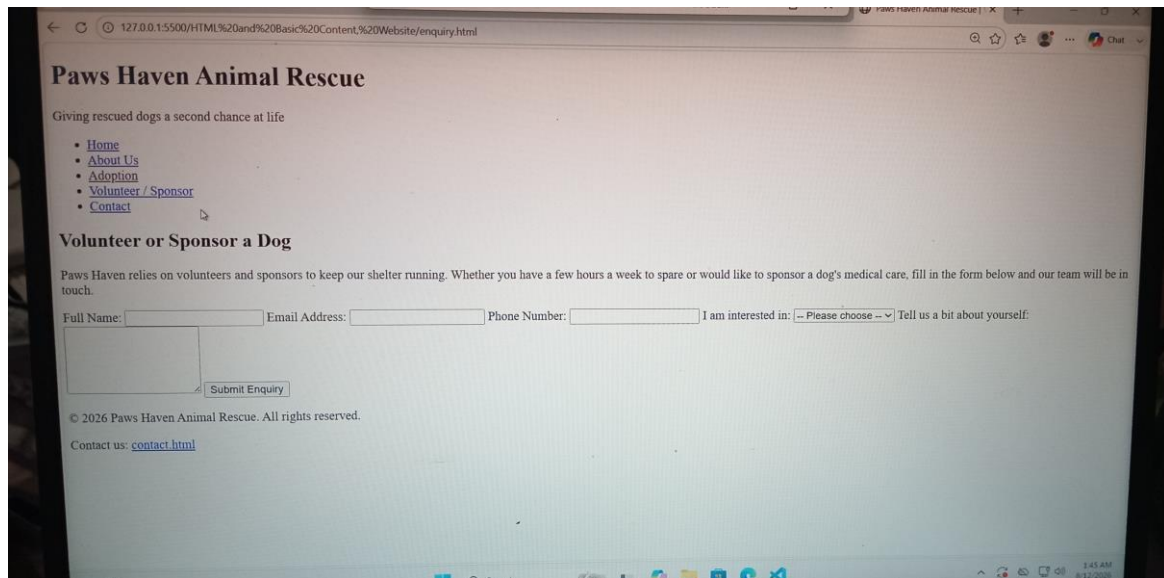

3. Adoption (services.html)

The Adoption page lists dogs currently available for adoption, each shown individually with a photo and description, helping visitors connect with a specific animal rather than the concept of adoption in general.

4. Enquiry (enquiry.html)

The Enquiry page provides a short form allowing visitors to register interest in volunteering or sponsoring a dog, collecting their name, email, phone number, area of interest, and a short message.

The screenshot shows a web browser displaying the 'Paws Haven Animal Rescue' enquiry page. The page has a light beige background with a dark header. The title 'Paws Haven Animal Rescue' is in a bold, serif font. Below the title is a tagline 'Giving rescued dogs a second chance at life'. A navigation menu on the left lists links: Home, About Us, Adoption, Volunteer / Sponsor, and Contact. The main section is titled 'Volunteer or Sponsor a Dog' and contains a paragraph explaining the need for volunteers and sponsors. Below this is a form with fields for 'Full Name:', 'Email Address:', 'Phone Number:', and a dropdown menu for 'I am interested in:'. A large text area for 'Tell us a bit about yourself:' is also present. A 'Submit Enquiry' button is located at the bottom of the form. The footer includes a copyright notice '© 2026 Paws Haven Animal Rescue. All rights reserved.' and a link to 'contact.html'. The browser's address bar shows the URL '127.0.0.1:5500/HTML%20and%20Basic%20Content%20Website/enquiry.html'. The system clock in the bottom right corner indicates '1:45 AM 8/12/2026'.

Volunteer or Sponsor a Dog

Paws Haven relies on volunteers and sponsors to keep our shelter running. Whether you have a few hours a week to spare or would like to sponsor a dog's medical care, fill in the form below and our team will be in touch.

Full Name: Email Address: Phone Number: I am interested in: Tell us a bit about yourself:
